

A JOHNSON-LANCASTER & ASSOCIATES INC. COMPANY

TRANSFORMING RESTAURANT VISIONS INTO REALITY

At Las Vegas Restaurant Design Group (LVRDG), we don't just build commercial kitchens—we create high-performance, cutting-edge foodservice environments tailored to your vision. As a division of Johnson-Lancaster & Associates Inc., we provide full turnkey services, from expert design and equipment specification to seamless installation and ongoing support. Our mission is simple: to set the standard in food service construction with unmatched quality, reliability, and customer satisfaction.

WHY PARTNER WITH LVRDG?

- **COMPREHENSIVE SERVICES**
We handle every phase of your project, from concept to completion, including design, value engineering, procurement, and full installation.
- **INDUSTRY-LEADING EXPERTISE**
Our specialists collaborate with General Contractors, Designers, and Restaurateurs to create efficient, high-performance kitchens.
- **UNPARALLELED BUYING POWER**
As a division of Johnson-Lancaster, the 7th largest KEC in the US, and a proud member of SEFA, we deliver top-quality equipment at competitive prices.
- **SUSTAINABLE & RESPONSIBLE**
We prioritize eco-conscious practices and community engagement to drive positive impact beyond the kitchen.

CUSTOM SOLUTIONS FOR EVERY OPERATION

Whether you're launching a new restaurant, remodeling an existing space, or designing a large-scale foodservice facility, our expert team provides tailored solutions that align with your brand and operational needs.

BEYOND DESIGN YOUR RESTAURANT SUCCESS PARTNER

LVRDG goes beyond just designing and building commercial kitchens. We leverage our deep industry connections to help clients with restaurant financing, leasing, legal support, accounting, and operational software solutions.

Join industry leaders like [Habit Burger Grill](#), [José Andrés Group](#), [Gordon Ramsay](#), [SBE Hospitality](#) and [Four Seasons](#), who trust LVRDG to bring their culinary visions to life.

Let's make your restaurant concept a reality!
